👤 PROFILE

Aspiring junior web developer with a passion for creating user-friendly, visually appealing websites. Proficient in HTML, CSS, and JavaScript, with hands-on experience in building responsive web applications. Dedicated to problem-solving and continually expanding my skills in web development. Eager to contribute to a dynamic team and take on new challenges in the world of web development.

🎓 EDUCATION

12/2022 – 07/2023 **Full-Stack Developer Course**
Msquare Programming

2019 – 2020 **Matriculation**
NIEC Private High School

🧠 SKILLS

As Frontend section

I well use **HTML**, **CSS** and **JavaScript**. As the Framework for JS I am currently using **React.js**. For Fullstack I use **NextJs**.

Library

As Css, I use **TailwindCss** and for Components library I prefer **Material-UI** , **Shadcn/ui** and **Headless -UI**

State Management

In order to learn how to use props carefully, I learn and use **Redux-Toolkit** and **Context**.

Others

To authenticate I always use **NextAuth.js** and I can use well **Typescript**, **JWT** and **GitHub**.

Backend Section

In the Backend, **Node.js** and **Express** are I always use.

Databases

I learnt both SQL and No-SQL, **PostgreSQL** and **MySQL** for SQL and **MongoDB** for No-SQL. But I prefer to use SQL.

Personal Skill

I also respect time and listen to the words of seniors. Often done precisely. Able to work well with a team. I am sit comfortably with anyone. I can also learn new things quickly because I am a open learner.

👜 EXPERIENCE

01/2022 – 03/2023 **Senior Barista**
I spent a year for barista to learn how to connect other people and how to give services to customers. I got the biggest experience that is how to work with other people within a team.

🌐 LANGUAGES

Burmese and English

INTERESTS

Football

I always play football when I need to relax.

Gaming

I prefer playing games with my friends rather than playing games alone. eg.(Mobile Legend, Call of Duty)

Reading

This is the most I like and I always find resources to read and chill my mind when I have time.

Travelling

Traveling can calm my mind and give me new ideas

Computing

I am try to become a developer so I spent most of my time with computer so this is the interesting for me.
